

LEICA ScanStation 2 Laser Scanner

In addition to its four fundamental total station features, Leica Scanstation has already proven to significantly reduce field labor in comparison to traditional methods. High-Definition Surveying™ (HDS™) has become more profitable even more as-built and topographic survey projects.

Turning Point Systems Group (TPSGroup) provides consultative sales, rentals and training of 3D measuring products. Our staff offers extensive experience in GPS, TPS, and HDS technologies. Turning Point is an Authorized Distributor for Leica Geosystems HDS and Sokkia Corporation serving the Wisconsin and Great Lakes Region. Additionally, to support Wisconsin Surveyors we also have products by Rust-Oleum, Crain, Carlson Software, Presco Products, Stan's Industrial Woodworking and Seco Manufacturing. Turning Point is the only Wisconsin instrument supplier accredited by the Better Business Bureau and is veteran-owned.
